HART GYMNASTICS CLUB SNOW / WEATHER DISTRUPTION PROCEDURE

In the event of snow and/or venue closures or we are unable to offer a session due to the weather please see our procedure below.

In first instance we will post on our Hart Gymnastics public Facebook page. We will aim to post this at least 30 minutes before your session starts where possible we will aim to give you more notice. If the weather is bad, please keep checking the Facebook page and please check before leaving for your session.

If snow starts to fall during your session we will endeavour to finish the class but if you should so wish to collect your child early, please feel free to do so. Please sign child out with a coach before taking child.

If in the event of snow fall where we are unable to finish the class, we will begin the process of calling the numbers given on registration forms to collect your gymnasts. As well as posting on Facebook.

Where possible we will also try and email parents to let you know if classes are cancelled. Please note this is not always possible due to coaches being in sessions with no internet access. So please check Facebook page for all latest updates!
